Howlett and Dixon meet

The prospect that Secretary of State Michael J. Howlett may run for the Democratic gubernatorial nomination against Gov. Daniel Walker began developing last week, and the 1976 election outlook was the topic of a luncheon meeting between Howlett and State Treasurer Alan J. Dixon. Dixon had been actively campaigning for governor and Howlett had been insisting he preferred to seek re-election. Now, Howlett's position is that he would consider opposing Walker, but not unless Dixon withdraws.

Many voters believe Gov. Walker can be beaten in a two-way primary race. He is unpopular with many fellow Democrats, but has been able to

Court policy on weddings

Madison County will have a separate marriage division within the Circuit Court which will perform marriages at 2 p.m. each Friday at two locations, Granite City, Alton and Edwardsville. Court Administrator Michael S. Henkhaus has announced. The new plan will be effective Dec. 1.

Marriage ceremonies will be conducted by a judge and will be witnessed by a representative of the circuit clerk's office.

A fee of \$10 per marriage will be charged and no other gratuities may be accepted, according to the order establishing the marriage division.

Granite City marriages will take place at 2 p.m. each Friday in Courtroom 6 in the city hall here. Previous arrangements with the court are not necessary.

If a couple wishes to be married at another time or place, they must apply to the court.

Officers told not to interfere with club

Pontoon Beach officials indicated Friday night they plan a "hands off" attitude by the village board toward the Green Dragon Health Spa in the 3800 block of Lake Drive.

The establishment has said it provides body massages by bikini-clad women. Village President Floyd David Moss ordered it closed Nov. 1 but the village now believes it has reopened.

Moss and Village Attorney Paul Guzzardo said after a village board meeting Friday evening that they feel it would be futile for the municipality to seek to regulate such activity. When Moss alleged that a nuisance had developed, the establishment's village license

was taken by police and given to Moss.

Chief of Police Roosevelt Bennett Jr. said he was ordered later "not to bother" the Green Dragon and to refer all questions about it to the village attorney.

Mayor Moss said Friday night, "It is immaterial whether he had returned it, he responded, 'Ask my attorney'."

Guzzardo said, "I advised Dave two weeks before they closed it that I questioned whether the board had the authority to halt the conduct here, whether by board action or the police department."

"It has reopened. The mayor

requested an opinion whether the board has any authority to close it. I repeated that I doubted whether the board has any authority to close a massage parlor.

"The existence of a business license on the premises is not controlling, one way or the other."

"A license has been issued," Guzzardo noted.

A Pontoon Beach ordinance requires health spas to purchase \$25 licenses.

Mayor Moss said the license may be missing due to "a mistake on the village's part."

Moss asserted, "The massage parlor is not violating a law."

"Did you know our state

legislature is surrounded by massage parlors? As our legislators sit there making laws, they can look out the window and see many massage parlors."

"If they can't close them how can the mayor of a small town close them?"

Guzzardo said board members initially discussed whether to set up detailed requirements for staff qualifications and equipment at health firms.

"We felt that the village could regulate the business, but I explained that regulation is not prohibition."

"Regulation with intent to prohibit operation would be void. I asked them, 'Why go through such a futile gesture?'"

Seize drugs; 14 arrested today

Fourteen persons, including two juveniles, were arrested early this morning by teams of officers from five law enforcement agencies on warrants alleging drug dealing. Nine of the adults arrested are from the Quad-City area.

About 40 officers participated in the arrests, which were directed by the Metropolitan Enforcement Group of Southwestern Illinois (MEGI), or better known as the MEG Unit) and were coordinated by the Granite City Police Department.

Participating with the MEG officers were officers from the Granite City Police, Madison County Sheriff's Department, and the Madison and Pontoon Beach police departments.

Most of the arrests were made on warrants issued after suppressed indictments were returned by a Madison County grand jury. In a full-day session Thursday, the grand jury deliberated numerous drug cases and issued an undisclosed number of suppressed indictments.

The arrests are a result of undercover operations by MEG officers in street clothing who alleged purchasing marijuana, hashish and other controlled substances from those arrested.

During arrests today, about three pounds of hashish and assorted narcotic paraphernalia were seized. Gary F. Bosio, director of MEG, disclosed.

Quad-Cityans charged with one count each of unlawful delivery of cannabis and held under \$10,000 bonds each were: Tony Aguirre, 26, of 1223 Twenty-second St.; Noah Ezra Tidwell, 26, of 1714 Grand Ave.; Marilyn Denise Hyde, 19, of 2640 Center St. and Jack Williams, 23, of 1809 rear Rhodes St., Madison.

Also charged with one count of cannabis delivery was Eugene Henry Durrett, 20, of 409 E. Chain of Rocks Road, Mitchell, whose bond was set at \$500.

Charged with two counts of delivery of cannabis against each were James Buddy Clubb, 27, of 714 Niedringhaus Ave., bond \$20,000, and Michael Wayne Fulcrum, 22, of 2333 Fortune Drive, bond \$15,000.

Granite Cityans charged with two counts against each of unlawful delivery of a controlled substance were Paul Matthew Reese, 18, of 2103 Monroe St., bond \$10,000, and Kenneth D. Harris, 17, of 2224 Washington Ave., bond \$20,000.

Also arrested and charged with one count each of unlawful delivery of a controlled substance were: Robert Dean Nash, 32, of 2300 Ford, 29, Godfrey, bond \$3,500; Robert Dean Nash, 32, Godfrey,

Big acquisition for Horseshoe Lake state park

By GARY SCHNEIDER Press-Record Staff Writer

The Illinois Department of Conservation, Land Acquisition Division, has acquired a tract of nearly 500 acres in connection with the Horseshoe Lake State Park.

A price settlement between the state and owners of the land, which had been in condemnation proceedings, was announced Friday.

The settlement is with the Phillip Listman and Charles Listman families and the Alton & Southern Railroad.

Condemnation proceedings were filed in 1972 by Leo Konzen acting as a special assistant

attorney general, for a 598.75-acre site which includes most of the island in Horseshoe Lake. The railroad intervened in the proceedings.

Amounts paid for the land were not released.

Robert E. Corrigan, chief of the Land Acquisition Division noted that, as of Friday, the state has acquired 1,800 acres of land for the proposed park and has expended a total of \$2,686,000.

He said sufficient funds remain to complete acquisition for a proposed 3,265-acre park during this fiscal year, ending

Funeral held for Dr. Rode

Funeral services were held at 10 a.m. today for Dr. Amos H. Rode, 78, of 3802 Nameski Road, a dentist here more than 40 years, who was found dead in his home Thursday morning.

A friend and business associate, Robert E. Backs, notified police Thursday that he had not heard from Dr. Rode since Monday and asked them to investigate. With Backs' permission, police had a locksmith unlock the door to Dr. Rode's home and found him without signs of life in the dining room. There were no signs of foul play.

Madison County Deputy Coroner Edward Werner pronounced him dead at the scene at 11:15 a.m. Thursday.

An inquiry will be held.

Dr. Rode was born in St. Louis and resided in Granite City all of his life. He was a dentist here more than 40 years, retiring from his office at 1355 Niedringhaus Ave., about five years ago.

DR. AMOS RODE

He was a member of the Board of Directors of State Savings & Loan Association from 1940 until five years ago and was chairman of the board

Joint Thanksgiving services

Two Union Thanksgiving Services will be held Sunday, Nov. 23, at separate locations beginning at 7 p.m., sponsored by the Quad-City Ministerial Association and open to all residents in the area.

Donations at each of the services will go to support the Mobile Meals program and those attending are asked to

bring canned goods for the community Christmas baskets. The baskets are prepared and co-ordinated through lists from the Protestant Welfare Association, Catholic Charities and Salvation Army to provide holiday dinner items for needy families.

A downtown worship service will be conducted at the First

United Presbyterian Church, 22nd Street and Delmar Avenue, with the Rev. David Maxton as host pastor.

The other religious hour is planned at Central Christian Church, 2020 Johnson Road, where the Rev. V. Dennis Rutledge is pastor.

Woman campaigns for No. 2 office

By VALERIE EVENDEN Press-Record Staff Writer

A woman who promises to be a hard-hitting campaigner using her extensive knowledge of fiscal matters, reinforced by 20 years governmental experience, Mrs. Joan C. Anderson still retains her femininity and is the modern example of a wife, mother, business woman and articulate public official.

Mrs. Anderson is the announced candidate for the office of Illinois lieutenant governor on the Republican ticket.

A resident of LaGrange, she is the only Republican since 1968 to be elected as trustee of the Metropolitan Sanitary District of Greater Chicago, according to 1,622,987 votes from 120 communities within the district, including Chicago, in 1972.

Mrs. Anderson was a front runner in her election to the Illinois Constitutional Convention and the first woman to be elected to the College of DuPage Board.

"Fiscal stability must be maintained for the protection of the state through predictable and reasonable policies," Mrs. Anderson said. "Vast increases in state spending and a decrease in the state's cash flow has caused a scramble to meet the payroll in the past few months."

"The state must protect its credit rating with fiscally

defensible and well-implemented policies and the highest priority should be given to this. We can't wait until it reaches the crisis point as in New York.

"A state cannot have a deficit financing situation without it affecting every local government. The reaction in the market makes a hard time selling bonds for any type of program and costs go up."

"In this area I can be of assistance to the governor," Mrs. Anderson said. She noted her experience as a trustee on the Metropolitan Sanitary District, which instituted a \$1.4 billion program encompassing 120 local municipalities.

"Although it is a hard thing to do, we must use self-restraint in spending right now and hold in abeyance the expenses of existing programs."

Commenting that she was not planning to use "emotional issues or motives" in her campaign, the candidate was critical, based on the "lack of attention on the part of the governor to... offer direction to state agencies trying to cope with statistics."

"I believe the responsibility rests squarely on the governor's shoulders that so many programs have been ineffective."

"In water pollution alone, the Illinois Environmental

Golden anniversary of Mr., Mrs. Louis Woerman

Mr. and Mrs. Louis F. Woerman, 2537 Benton St., were guests of honor at a dinner given at Charlie's Restaurant last week, followed by a reception in observance of their golden wedding anniversary. Mr. and Mrs. Laurent Ferrere, 2008 Wayne Ave., a son-in-law and daughter, hosted the reception in their home. Dinner guests included Mr. and Mrs. Adolph Stanek, Mrs. Maide Rice, Mrs. Verna Lott, Ed Brockman Sr., Mr. and Mrs. Edwin Brockman Jr., Miss Luella Paul of Chicago and the hosts' children, Laurie and Laurent Ferrere. Mr. Woerman and his wife, the former, Edna Brockman, were married on Nov. 11, 1925. He was employed as a carpet layer in the Granite City and Alton areas prior to retiring in 1959. The Woermans are members of the First Church of Christ Scientist, 2800 Delmar Ave. A floral arrangement of yellow carnations and gold pompons and a tiered cake, topped with the numerals '50', centered the serving table at the reception.

Patchworkers entertain mothers

Coming events were discussed by members of the Patchworkers 4-H Club during a meeting at St. Elizabeth School cafeteria last week. John Krystofa, chairman of the fund-raising committee, reported members will begin selling candy bars today. Mary Loftus, "share the fun" chairman, said her committee is writing a play, entitled "Colour My World," to be presented at a later date. Carol Busch, tours and speakers chairman, said a tour of St. Elizabeth Hospital will take place from 1:30 to 3:30 p.m. Nov. 28. President Debbie Burnett opened the meeting. The 4-H pledge was given by Sue Burnett and the pledge to the flag by Linda Grebel. Roll call answered with the name of a favorite Halloween costume, was recorded by Wendy Melloy. Twenty members and their mothers attended. Mrs. Martha

Sunshine Class fetes members

The Sunshine Class of Second Baptist Church met at the church for a quarterly birthday pot luck dinner and meeting last week. Mrs. Naomi Rongey gave the opening prayer, followed by the singing of the class theme song, Heavenly Sunshine. Members recited the Lord's Prayer in unison and Mrs. Rongey gave the devotion on "Prayer." The business session was conducted and plans made to prepare two sunshine boxes, and for the Dec. 1 class meeting. The Rev. Keith Stanford, a guest who will conduct a revival at the church, offered meditations. Birthday honorees included Margaret Dutton, Isabelle Burnett, Ethel Cox, Rosemary Wilson, Evelyn Smith, Mary Holshouser, Margaret Culpepper. Members attending were Gladys Hudgens, Alice Hoffman, Midge Burnett, Dorothy Barnes, Beulah Cox, Frances Sims, Gloria Burnett, Esther Davis and guests, Norma Smith, Naomi Rongey, Pauline Irwin, Rev. Eugene Dutton, Lionel Portell, Jack Jenkins and Betty Lewis.

Jaycee-Ettes plan projects

A representative from the Rape Crisis Center, St. Louis, was the guest speaker at a dinner meeting of the Jaycee-Ettes at Charlie's Restaurant. Later in the evening, plans were discussed to provide a Thanksgiving basket for a local family and to participate in arrangements for a New Year's Eve party at the Jaycee Clubhouse. The homestead article was won by Mrs. Linda Vaughn. Named to serve as hostess for the December meeting was Mrs. Marlene Ross. Others present for the meeting were Mesdames Pat Allen, Peggy Hoffmann, Teresa Finn, Nancy Krause, Carolyn Bledsoe, Audrey Gannon, Linda Weible, Linda Holtgrave, Cheryl Gann, Janis Weible, Emalee Meador and Carolyn Jones.

Mrs. Westphal class hostess

Mrs. Rachel Westphal, 2504 Denver St., was hostess to the Progressive Class of Second Baptist Church last week. The meeting opened with songs and a prayer by Mrs. Naomi Rongey. Devotions were given by Mrs. Gertrude Bundy and roll call was taken by Mrs. Ivy Biggs. The group agreed to prepare fruit baskets for the sick and shut-ins as the month's project. Mrs. Westphal served refreshments to Mesdames Naomi Burnett, Lena Stevens, Lena Bonhiver, Alene Reagan, Leoda Cobain, Margaret Keetong, Virginia Ficker, Grace Lambeth, Pearl Peters, Jerrae Laswell, Ruby Mayberry and Minnie Cavins. The December meeting will be at the church with Mrs. Rongey as hostess.

Tea, style show attracts 300

Autumn leaves, cornstalks, pumpkins and ears of corn tied in clusters decorated the Venice Recreation Center for the Harvest Tea and Style Show, sponsored by the Silver Bell Senior Citizen Club, last week. Approximately 300 attended the annual event. Other decorations centered individual tables made up to represent the months of September, October, November and December. An apple tree and an American flag was used for the September table; a Halloween motif with pumpkins was the October theme; a horn of plenty filled with fruit centered the November table and a small Christmas tree, filled stockings and a miniature church music box marked the December table. Featured on the program was soloist Mrs. Novella Magby and Jessie B. Reeves. Mrs. Beatrice Thomas gave a reading and the Golden Age Bell Ringers of Madison entertained with several musical selections. Mrs. Irene Brown presided at the piano and the Rev. Thomas Malone gave the invocation. A summary of the activities of the club was reviewed by Mrs. Helen Ruth King. Lloyd King was in charge of the music played during the style show. Models included Marion Gaud, president of the club, Ivy Wilson, Rosie Russell, Mayme Gibson, Bertie Mayo, Willie Walker and Beatrice Hill. There also was a display of handcraft and art work created by the members and three floral centerpieces. Special gifts were presented to the eldest men present, Granville Harris, 84, and Clyde Jones, who is 83. Ladies who won gifts were Jo Ann Pierre, 84, and Myrtle Clemons who is 85. A buffet luncheon was served after the program.

Parkview bazaar and open house

A Christmas bazaar, featuring a large selection of holiday gift items, will be held from 5 to 10 p.m. Thursday at Parkview School in conjunction with the annual open house observance at the school on the same evening, according to the project chairman, Mrs. Judy Whitaker. Among the articles to be displayed for sale will be crocheted animals, Mexican Christmas angels on burlap, Russian pillows, a variety of holiday ornaments, snow men dolls and hanging plaques. Mrs. Linda Sabol will be in charge of a bake sale in the school cafeteria. All parents of the students and area residents are invited to attend, the chairman reported.

Palmer burglary

William Dixon, 2810 Palmer Ave., returned home at 9:30 p.m. Thursday to find his house had been burglarized. The burglars apparently were frightened during the burglary as several guns, an amplifier, a television and a movie camera were left on the living room floor.

Stolen were an \$85 pocket watch, a \$70 woman's jacket and other items.

Entry was gained by prying open the door to the coal chute. The burglars were believed to have left through the front door.

Smart business men are putting temporarily idle money to work earning interest yet it is immediately available to them when needed!

Yes! All types of profit making businesses can now deposit excess funds (up to \$150,000) in a FIRST BANK Commercial Savings Account. These accounts earn 5% per annum interest, computed and accumulated daily. Even short term deposits are good business because interest is paid for every day the money is in the account (providing the account remains open until the interest payment date).

ALL DEPOSITS INSURED TO \$40,000 BY THE FEDERAL DEPOSIT INSURANCE CORPORATION.

allegations that local spending patterns fail to support adequately the poor and the elderly.

Also being considered are demands for reforms in local tax practices and intergovernmental cooperation, accountability by local governments for their use of revenue sharing funds, the length of time for which new revenue sharing funds would be provided, and demands for more citizen participation.

Officials attending the session included mayors and other city officials, and county and township representatives. They urged re-enactment of new legislation as soon as possible. Existing revenue sharing legislation expires Dec. 31.

It was noted during the discussion that many communities rely heavily on federal revenue sharing to meet capital as well as operating expenses. Granite City, for example, has received a total of \$1,817,443 in federal revenue sharing since the program was initiated late in 1972.

attract independent support. Dixon may be offered a chance to run for secretary of state or lieutenant governor, or may be promised political backing for other offices in a future campaign.

The state treasurer said today he will decide by Friday. Howlett said he will not run for governor if Dixon wishes to stay in the race, and both agreed that a three-way primary would aid Walker, whom they oppose.

Also figuring in the speculation for secretary or lieutenant governor is Lt. Gov. Neil F. Hartigan.

Dixon, Howlett and Hartigan all praise the others' records in office and describe the others as friends.

White Dixon of Belleville is the only one not from the Chicago area, Howlett said he decided to reappraise his plans after encountering substantial Downstate support as well as much backing from Republicans. He has won four consecutive statewide elections.

State screening meetings are scheduled for next week, and filing will end Dec. 10 for the March 16 primary election.

Bicentennial ethnic events planned here

A \$3,800 grant from the Illinois Bicentennial Commission received Friday will enable ethnic observance to be expanded here.

The allocation to Granite City recognizes local cultural diversity.

Bicentennial planners also are devoting attention to the major Quad-City parade planned for 11 a.m. July 3, 1976. About 20 floats have been registered, and other organizations and businesses are being encouraged to contact.

Rich Chochik, Bicentennial coordinator, City Hall, 2000 Edison Ave., Granite City 62040 (telephone 876-4897).

A letter has been sent to Gen. Andrew Goodpaster, former Granite Cityan, to ask him to be grand marshal of the parade. All civic organizations have been asked to enter a float. Tom Hundley is chairman.

George Moore is chairman of the Horizons Committee to help promote beautification and clean-up for the Bicentennial.

David Morgan is chairman of a committee planning senior citizen activities and encouraging them to develop arts and crafts for display and sale at the ice rink.

Eugene Alassi is planning a joint project for youth in which various displays will be placed in merchants' windows.

Norman Holsinger of the Special Events Division hopes to provide a 1502-foot hand-hewn log cabin 135 years old to the city for development of a historical society. It may be placed, arrangements may be made, if a judge is available and at least 24 hours notice is given.

Henkhaus noted the marriage division was created due to county financial problems which require additional funding to the court. The \$10 per couple will be deposited in a marriage fund which will be used to pay the clerk's assistant at weddings other than during regular working hours.

Surpluses from the fund will be sent to the county treasurer, Henkhaus noted.

He said anyone having questions about weddings or the new marriage division may contact him at 1-892-4300 or in the Court Administrator's Office in the Madison County Courthouse at Edwardsville.

for many years. Upon retirement from the board, he was awarded the honorary title of director-emeritus.

Dr. Rode also was associate guardian of Bethel 43, Order of Job's Daughters, several years, and was a member of the Ramblers' Club, a social group of couples which no longer had meetings, but still retains the name. The Ramblers' symbol was a red rose and the group sent red roses for the funeral service.

Dr. Rode's wife, Mrs. Melvina Rode, preceded him in death in March of 1971. Surviving are a daughter, Mrs. Gerald (Mary) Hill of McHenry, Ill., and four grandchildren.

Details of the funeral may be found in today's obituary column.

Protection Agency waited until the last minute to obligate funds and was the 44th state out of 50 to do so.

"There are people in state agencies just sitting around and you know they are getting paid whether a program starts or not. State agencies won't initiate their own directives, they need a directive from the governor and this they haven't been getting."

"The state needs to operate with fiscal responsibility—a balance of program starts and services provided."

The governor proposed a highly inflationary program in March and promised full funding. Then he cut a complete and total flip and takes away six per cent across the board and the biggest chunk, of course, was the schools.

Meanwhile, school districts already had set up their budgets for the year, hired teachers and expanded programs, then were forced to reverse their field. This is not a fiscally responsible position.... I know what this (reduction) meant as I have been a lifetime supporting school needs."

She was critical of the delay in "getting out unemployment checks," noting that some people have waited up to a year to receive their check.

"On-time unemployment checks would circulate more money into the state's economy, and implementation of the state construction program would further infuse funds into the economy," Mrs. Anderson said.

She proposed lifting the "largely ceremonial office of lieutenant governor or the conflicting one, as now has developed at the state level," and bring to the office and utilize her more than 20 years governmental experience to assist the governor.

As a delegate to the Illinois Constitutional Convention, Mrs. Anderson said she had supported the Equal Rights provision and continues to support ratification of ERA.

"I deeply believe in the rights of the individual, regardless of age or sex. I also believe that ERA can serve to protect the financial stability of a family. It is a known fact that financial problems frequently cause family break ups."

"I want my daughter and sons to meet the world with whatever skills and abilities they may have on an equal basis, Mrs. Anderson said.

At the present time the states of Kentucky, Mississippi and New York have women lieutenant governors and the State of Connecticut has Ella Grasso as the nation's first woman governor.

Mrs. Anderson's activities include being a member of the

Illinois Comptroller's County

Audit Advisory Board; consultant on home rule to the Institute of Government and Public Affairs at the University of Illinois; a member of the Illinois Environmental Protection Agency's Advisory Council for Solid Waste Grants; and a member of a subcommittee of the Legislative Commission on Intergovernmental Cooperation to establish systems of local government auditing, accounting and reporting.

Before her election to the Metropolitan Sanitary District, Mrs. Anderson was on the staff of the Illinois Department of Local Government Affairs as special consultant, assisting Illinois local governments and the legislature in implementing the 1970 Illinois Constitution.

She served on the State Board of Directors of the League of Women Voters for 7½ years and was vice president of the Cook County League of Women Voters. She was vice-president of the American Association of University Women's branch in her community.

Mrs. Anderson was a member of several committees for the federally funded four-state Upper Mississippi River Basin Water Resources School for Citizens, the Natural Resources Bond Act; the Cook County jail bond referendum; councilman government and school referenda in Peoria; and chairman of the committee for evaluation of Lyons Township High School by the North Central Association of College and Secondary Schools.

The candidate authored the 1968 version of the Legislature's Illinois Municipal Problems Commission which detailed the development of the local government article at the 1970 Constitutional Convention and published a research paper in 1969 on special district governments in Illinois.

Peoria was her home for 10 years. She researched a booklet on Peoria County used by both the schools and the community. Recently, she has presented papers on intergovernmental cooperation, county government and federal grant requirements affecting water quality management.

Mrs. Anderson is a Phi Beta Kappa graduate of the University of Illinois and her subsequent employment included research in microbiology and chemistry.

She was listed as an outstanding Constitutional Convention delegate by the Chicago Daily News and received awards as "citizen of the year" by the LaGrange Area Business and Professional Women and the West Suburban Chamber of Commerce.

in June 1976, unless problems are encountered.

About \$1,600,000 remained in the acquisition fund when the state's last fiscal year ended June 30 and that money was carried over into this year.

Another \$1,140,000 was added this year, making a total of about \$2,740,000 available for purchasing the 1,465 acres still needed before acquisition is complete.

Other recreational areas will be opened as soon as possible, he added.

He also said the state does not plan at this time to acquire enough land to join Horseshoe Lake Park with Cahokia Mounds State Park.

A current plan for Cahokia Mounds expansion plan includes some land north of Interstate 70, but not to Route 111.

St. Margaret Mary ladies elect

Mrs. Angie Shilt was elected president of the Ladies of St. Margaret Mary organization at a meeting in the school cafeteria last week.

Others elected to serve as the 1976 corps of officers are Marsha Chomko, vice-president; Jean Zinn, secretary, and Jo Ann Barnett, treasurer.

Installation ceremonies will be conducted at the club's Christmas party Dec. 9 at the school.

The retiring president, Mrs. Sue Bausch, presided. Plans were finalized to host a golden age dinner for the senior parish members on Dec. 14, with Mrs. Irene Schuerke serving as chairman.

Mrs. Bausch announced a paper drive will be conducted by the seventh grade students on Dec. 6.

After the meeting games were played and coffee, donuts and cider served to 44 members.

Past grands elect Mrs. Parrish

Mrs. Mildred Robertson, 2321 Washington Ave., entertained the Past Noble Grand Club of Juana Rebekah Lodge 477 last week at a noon luncheon in her home. Co-hostess was Mrs. Alice King.

During the afternoon an election of officers was held, with Mrs. Rebecca Parrish named president; Mrs. Allen Phillips, vice-president; Mrs. Mable Clark, secretary; and Mrs. Amalia Jung, treasurer.

Presiding over the business discussions was the current president Mrs. Eula Myers.

Plans were made to hold a yuletide party at noon, Dec. 1, at the Anchorage Recreation Hall.

Games were played and prizes were awarded to Lenore Eichen, Pearl Jones and Emma Steiner.

Others attending were Eleanor and Julia Patterson, Mary Scoggins, Victoria Kent, Laura Belle Benson, Florence Partridge and Esther Langoff.

Johnson open house tonight

The Russell Johnson School PTA executive board met last week at the school to arrange for forthcoming events at the school.

Mrs. Virginia Apperson, president, was in charge of the discussions. She announced open house at the school will take place tonight at 7:30 until 9 p.m. and tomorrow from 9 to 11 a.m. and 1 to 2:30 p.m.

The afternoon kindergarten teacher, Mrs. Sandra Hubbard, requests parents of the children who attend the afternoon session to visit during that time.

The president announced all candy has been sold and money for the sale must be turned in no later than 3 p.m. Tuesday to become eligible for the prizes.

Richard Brinkhoff, school principal, will hold a discussion on reading in the home at the meeting tonight.

Campbell soup labels are to be collected no later than Jan. 9 and the next coffee klatch will be held at 9:30 a.m. on Nov. 25 at the school, it was announced.

Homemakers to donate crafts

Final plans for a Christmas party on Dec. 3 at the Heritage House, St. Louis County, were discussed at a craft meeting of the Granite City Unit of Madison County Homemakers Association at Grace Baptist Church last week.

Craft chairman Mrs. Martha Taylor and Mrs. Helen Parks gave instructions on making various Christmas items, including miniature Santas, head tissue covers, Santa lamps, Christmas card shades, bead bracelets and button neckties.

Several items made during the session will be donated to the Myasthenia Gravis Foundation for sale at its Christmas bazaar.

Fourteen members and three guests attended the all-day workshop.

Mothers Club to host yule party

Mrs. Irene Kozma hosted a meeting of the Lincoln Place Mothers Club in her home to complete plans for the Dec. 13 Christmas party for members and their children. The event will be held at the Lincoln Place Community Center.

Hostesses Mrs. Verna Michel and Tilly Martinez served a dessert course followed by several games.

Those present were Mesdames Josephine Vangel, Carmen Breckner, Anna Kuruz, Linda Garcia, Mary St. Ivany, Virginia Severs, Mary Andria, Mary Driscoll, Rose Grimm, Nancy Groff, Virginia Kettel, Dorothy Petrillo and Helen Simpson.

Start construction by Jan. 15 on \$1 1/2 million environmental center

Contracts to construct the Environmental Resources Training Center (ERTC) building at Southern Illinois University at Edwardsville at an estimated cost of \$1,513,235 were awarded here Thursday by the SIU Board of Trustees.

The advanced waste treatment and operators' training facility is being funded by a \$2 million grant from the Illinois Environmental Protection Agency. The SIU board approved the project March 14, 1974, and accepted the detailed plans and specifications on April 10, 1975.

Successful bidders and amount of their contracts are: Plumbing work—General Refrigeration and Plumbing Co., East Alton—\$186,070.72.

Heating, piping, refrigeration and automatic temperature.

Work—Modern Plumbing and Heating Co., East Alton—\$100,985.

Ventilating and distributing systems for conditioned air—Quality Sheet Metals, Carbondale—\$115,300.

Electrical work—Reed Electric, East St. Louis—\$177,900.

General construction work—Ralph Korte Construction Co., Highland—\$698,000.

The board also approved a \$75,000 contingency fund for the project. Project work is expected to be initiated by Jan. 15.

The new facility, one of the first of its kind in the nation, will be a training center to serve environmental control operators and technicians, providing operator upgrading through the development of vocational and technical skills.

Operators will be taught fundamentals of operation and maintenance, management of resources, and quality control.

The ERTC building will be located near the existing waste water treatment plant on the northwest side of the campus. The office-lecture room-laboratory wing of the building will provide offices for staff, three small lecture rooms, a 100-seat auditorium, two 20-station water chemistry laboratories, a small laboratory for advanced instrumentation work and a library.

The other wing of the building will be a "pilot processes" area. Small pilot units and demonstration equipment will be housed in the area to provide trainees with "hands-on" operation.

Earl E. Lazerson, dean of the SIUE School of Science and Technology, said he expects ERTC to attract waste water operator trainees from all areas of the state and many areas of the nation.

He said the ERTC will serve as a nucleus for development of a statewide environmental training programs and for coordination of the programs through regional community colleges.

SCROOGE'S PHILOSOPHY. Ebenezer Scrooge (Paul Ashcraft), left, tells Fred, his nephew (Randy Spurlock), "When I hear Merry Christmas, I say nonsense, fiddlesticks, poppy-cock and Humbug!" The above is a line from a scene in "The Stingiest Man in Town" to be presented Thursday by the Granite City High School North Vocal Music Department in the South Auditorium.

'The Stingiest Man In Town' to be presented Thursday

"The Stingiest Man in Town" whom everyone knows better by the name of "Scrooge" will be presented Thursday by the Granite City High School North Vocal Music department with curtain time in the South auditorium at 8 p.m.

The story is based on Charles Dickens' "A Christmas Carol," with music by Fred Spielman and lyrics by Janice Torre.

Mary Peters will be the accompanist for the show. All vocal students enrolled in hour chorus will perform in the musical under the direction of Mrs. Gail Mueller.

The cast includes Paul Ashcraft as Ebenezer Scrooge, Randy Spurlock as Fred, the nephew of Scrooge; Jim Johnson as Bob Cratchit; Rick Spurlock as the ghost of Jacob Marley; Pam Reinhardt as the ghost of Christmas-Past; Betty Whittell as the ghost of Christmas-Present; Gary Davidson as Ghost of Christmas-Yet-To-Come; Dave Edrington as Young Scrooge; Leslie Parge as Belle, the boyhood sweetheart of Scrooge; Kathy McCann as Mrs. Cratchit and Stacey Thomason as Tiny Tim.

Tickets bought in advance are 75 cents for students and \$1 for adults. At the door, tickets will be \$1 for students and \$1.25 for adults.

The car left north on Nameoki Road, the victim said. Police searched the area, but were unable to locate a car matching the description.

Robbed in parking lot

Geraldyn Farmer, St. Louis, told police at 1:30 a.m. Saturday that she had just been robbed of her purse in the parking lot of Rico's II Lounge on Nameoki Road.

She said she was unlocking her auto to go home when two men in a 1974 or 1975 red Ford Mustang fastback two-door auto drove up and the passenger asked for directions to an Edwardsville tavern.

She said she did not know and the man asked her how to get to Interstate 270. The passenger said he was from Missouri and the driver was from California. The car was believed to have had Missouri license plates.

The victim said she approached the car and was giving them directions to Interstate 270 when the passenger grabbed her, yanked her purse from her, pushed her away from the car and yelled to the driver, "Let's go, man."

The car left north on Nameoki Road, the victim said. Police searched the area, but were unable to locate a car matching the description.

Auto surge aiding shipments of steel

Domestic steel industry shipments increased during September for the second consecutive month, partly due to a surge in shipments to the automotive industry, the American Iron and Steel Institute said Friday.

Domestic mills sent customers 7,832,000 tons of steel products during the month, an increase of almost 21 per cent over the 6,327,000-ton August total.

The automotive industry is pressing steel service centers to regain the position of steel's biggest mill customer.

Last March, steel shipments to the automotive industry were only 825,000 tons, the lowest monthly total since September 1971. In September 1975, car makers and their suppliers received 2,064,000 tons of shipments, a 38 per cent rise over August's share, and the largest tonnage to the automotive industry since May 1973.

Employment in the domestic steel industry increased during September for the first time in 11 months, 445,800 persons were engaged in production and marketing of steel, an increase of 3,900 over August's 442,200 figure.

Named to serve on committee of video advisors

Barbara Jo Andrews, 137 Arlington Drive, Arlington Heights, has been named to serve on the Viewer's Advisory Committee of KETC-TV, Channel 9. She will represent the Lake School Parent-Teacher Association on the committee.

Members of the KETC Channel 9 Viewers' Advisory Committee perform two functions in operation of the non-commercial television service provided by the St. Louis Educational Television Commission: identifying educational needs which may be met through telecasts on KETC, and alerting the community to educational resources included in the telecast schedule of Channel 9.

The VAC meets in two sections each first Thursday in the KETC studios on the northwest corner of the Washington University campus.

Organizations interested in representation on the Viewers' Advisory Committee may write: Registrar, KETC, Channel 9, 6886 Millbrook Blvd., St. Louis, Mo. 63130.

"Television programming is painfully short on ideas, as any viewer can easily recognize upon spending any given hour in front of the TV receiver at most any time of the day or night," Robert C. Glazier, executive director of the St. Louis Educational Television Commission and general manager of KETC, Channel 9, said today.

"This makes the work of our Viewers' Advisory Committee important in doing something about the sterile nature of most TV programming today," he added. "So we will welcome the representation of any responsible organization on the VAC."

Pass plays, defense among 1975 Steeler grid highlights

Coach Tom Wyrostek's Steelers had ups and downs during the 1975 grid season, but the good times far outweighed the bad, as reflected in the 6-3-1 record.

GCHS North captured two tough games at the top of the schedule—16-7 over GCHS South and 49 over Collinsville—before unexpectedly losing 20-12 to Wood River.

The Steelers then won their next three games, defeating Roxana 21-6, Mater Dei of Breese 27-6 and Assumption of East St. Louis 26-6.

But the seventh contest, with Belleville Althoff, brought a 14-14 tie that preceded two losses in a row—21-0 to DeSmet of Missouri and 24-20 to Mattoon, the latter after a 20-0 North halftime lead.

Displaying the ability to bounce back, North rolled over O'Fallon 37-0 in the season finale but missed a chance to reach the state playoffs after achieving a state role in 1974.

Quarterback Greg Corey, a senior, sparked North's offense many times with his throwing accuracy. He connected on 92 of 176 aerials and threw 11 touchdown passes, totaling 1,344 yards on successful passes during the season.

Corey also kicked 16 extra points and two field goals and ran for three touchdowns.

Senior Larry Schleicher was the recipient of 44 Corey passes for 756 yards and five TDs. Schleicher set a new one-year career record for yardage gained from pass catches by an individual, hauling in nine for 205 yards against O'Fallon.

David Kwiatkowski, a senior who was sidelined for part of the season with injuries, had 21 receptions for 237 yards and one TD.

Junior Leo Pelek pulled in 13 passes for 215 yards and two TDs, and Senior John Nolan caught two for 16 yards and one TD.

Scoring line touchdowns on pass receptions were Senior Richard Schmidt and Junior Joe O'Gara.

Steelers runners netted 949 yards while opposing schools gained 1,540.

Junior Vince Jateff was the busiest ball carrier, running 123 times for 464 yards and three touchdowns.

Nolan carried 59 times for 292 yards and three TDs, Pelek 30 times for 78 yards and one TD, O'Gara, 24 times for 63 yards and one TD, Junior James Simpson 10 times for 23 yards and one TD and Schmidt, nine times for 29 yards.

Corey also kicked 16 extra points and two field goals and ran for three touchdowns.

For 571 yards, and the Steelers intercepted 18 enemy passes. Schleicher led his teammates in that department also, picking off seven and returning one interception for a TD.

Pelek had three interceptions, Jateff, Bruce Wright and Brian Smith, two each, and Schmidt and Sophomore Steve Hartline one apiece.

Opposing runners lost 14 fumbles to North. The Steelers lost possession six of their fumbles.

Twelve seniors saw football action this season for the last time at North High: Schleicher, split end and defensive back; Schmidt, fullback and defensive back; Nolan, fullback; Mark Schoofield, halfback; Doug Heth, center; Jeff Jones, guard; Charles Haws, guard; Scott Odum, tackle; Tom Stanford, tackle; Mike Waddell, split end and defensive back; Kwiatkowski, tight end and linebacker; and Steve Crabb, split end.

A total of 23 juniors from this year's team will return as seniors for the 1976 season: Greg Landry, Corey, Pelek, Jodi Faltin, Simpson, O'Gara, David Reid, Tom Carpenter, Joe Young, Chris Page, John Sands, Tony Johnson, James Shemwell, Steve Pedigo, Mark Widel, Brian Patton, Larry Green, Steve Morris, Smith, Tom Gray, Walter Fabry and Clay.

Steeler wrestlers to begin season Nov. 29

The wrestling Steelers of GCHS North, now approaching their third season of competition, will attempt to top the 16-3 dual meet mark reached last season.

The North wrestling team's 1975-76 campaign will begin Nov. 29 with a 1 p.m. meet at Assumption.

Coach Walt Whitaker's matmen finished their initial season (1973-74) with an 11-3 mark, and posted third-place finishes in the annual GCHS South holiday tournament and in district competition.

Last season, North placed fifth in the holiday meet here, took runner-up honors in the district meet, and placed seventh in Illinois High School Association sectional competition.

Other than the Nov. 29 season opener, North High's mat card is:

South made believers with winning grid year

Granite City High School South's football program is alive and well and looking positively toward the future following a 5-4 record in the 1975 season.

The Warriors withdrew from the Southwestern Conference effective in July 1975 but played the Conference teams among other schools on their schedule.

After the Warriors' seven games against conference foes, perhaps some of the opposing schools officials wished South had not agreed to its 1975 conference schedule. South ended the year with a 4-3 record against conference teams, a notable improvement over the 1974 results.

South played against three teams destined to see action this year's state playoffs on both sides of the river—Riverview Gardens, Mo., and Edwardsville and Belleville West.

The Warriors opened their campaign with a 16-7 loss to GCHS North and then handed Riverview its only loss of the season, 14-6. The Riverview Rams proceeded to go undefeated the rest of the season and competed in the Missouri state playoffs.

After losing 20-7 to Belleville

East, South bounced back with a 27-0 shutout over Cahokia but bowed 35-0 the following week to state-playoff-bound Edwardsville.

South rose up from the Edwardsville game for back-to-back victories, 14-7 over Collinsville and then 20-18 over Alton.

Another state team, Belleville West, dealt South a 24-0 blow, but in the season finale the Warriors whipped last year's Class 5A state runner-up, East St. Louis, by a 35-20 score.

Quarterback Bryan Bunjan inherited the team's reins on a full-time basis after the Riverview contest, when Keith Champion suffered a broken ankle. Champion had passed to Jim Jackson for South's lone touchdown against the Steelers of North High.

Alan Benko and Joe Ward headed South's glorious scoring, each tallying six touchdowns. Benko earned his TDs on the ground, carrying 148 times for 478 yards.

Ward carried 315 yards on 13 pass receptions as well as three more TDs.

Frank Baranica enhanced South's ground game with 333 yards on 63 carries for two TDs.

Adding points also were: Jay Huebner, one TD; Tim Anderson, one TD; Benko, a two-point safety; and Bunjan, a two-point conversion run and 12 point-after-TD kicks.

Overall, the Warriors on offense and defense approximated and sometimes surpassed opposing schools' statistical performance. Season figures for both the Warriors and their foes (with South High listed first) were: 81-92 first downs; 1,789-1,694 total net yards; 1,188-1,683 yards rushing; 599-311 yards passing; 31-26 pass completions; 10-48 pass attempts; 14-12 passes had intercepted; 13-11 fumbles lost; and 296-437 yards lost on penalties.

The 1975 season capped the high school football careers of 12 seniors: Quarterback Bunjan, Wide Receiver Ward, Halfback Benko, Fullback Baranica, Guard Doug Hartman, Guard Steve Avedisian, Offensive Tackle Stan Myers, Defensive Tackle Chuck Rugg, Split End Jackson, Defensive Halfback Ed Pragma and Split End Mike Turner.

Hartman and Moran were co-captains of the Warrior team.

State champion Venice slates GC South game

Venice High School cage mentor Richard Essington, entering his third season as Red Devil coach, has hopes of coaching the squad to a third straight year of tournament success, and to successfully defend Venice's 1974-75 Class A state high school championship.

Venice posted a 29-1 basketball record and finished third at state under Bill Ohlendorf's last Venice season in 1972-73.

Essington has guided the Red Devils to the "sweet 16" state tournament twice since then—a 27-4 record and a super sectional loss in 1973-74, and a 32-2 record and the state title in 1974-75.

In a slightly revised schedule for the 1975-76 campaign, Venice has dropped four games from last season's schedule and added three new schools.

Deleted were Freeburg, a second Valmeyer game, a second St. Henry Prep of Belleville game and Wood River.

The three new opponents are Quincy Notre Dame, Alton and GCHS South.

The Red Devils' 1975-76 season card (with junior varsity games played first at 6:30 p.m., followed by varsity competition at 8 p.m.) is:

Film shown to Division

The Women's Division of the Tri-Cities Area Chamber of Commerce met Thursday evening at Charlie's Restaurant, Mrs. Janet Parney, president, introduced Bill Albert, who presented a videotape of a speech given by Leo Buscaglia of the University of Southern California on the subject of "Who and What is a Loving Human Being."

Buscaglia's criteria for a loving human being includes a person who loves himself, one who abhors waste, and one who recognizes people's needs. Due to the length of the program, a motion was made to omit the business meeting.

Principal suggestion was to use time meaningfully to help and care for other humans. Members of the Business and Professional Women's Organization attending were Mesdames Ida Dant, Rosalie Portell, Rosemary Basden, Gene Haddix, Arla Ault, Marionne Lamborn and Gladys Newman.

Women's Division members attending were Dr. Felicia Koch and Mesdames Mary Sedekum, Shirley Blasingame, Lorraine Decatur, Mary Jesse, Norma Schreder, Lois Winter, Billie Schulz, Dolores Waelz, Emylee Alford, Kay Hall, Marilyn Lunaford, Jackie Reimann, Pauline Dubish, Ann Davis, Nigel Macrae, Marti Kismir, Jeanette Scannell, June Van Horn, Mary Blankenship and Helen Hawkins.

Guests included Mesdames Tina Thomas, Margaret Bolt and Mary Ann Becker. Mesdames Jacqueline Abrams and Bonnie Sullivan of the Chamber staff assisted in registration.

Miss Lily Dod reviews books

"The Presidency of Washington" by Forest McDonald and "George Washington's Expense Account" by Marvin Kuttman were reviewed by Miss Lily Dod at Thursday's meeting of the Bay View Reading Club. Members met at the home of Miss Bea Cooke, 1639 Lindell Blvd. The club collect and pledge to the flag were led by Miss Mary Frances Lynch. Mrs. James Stuart, president, conducted the business session. Plans were made for a Christmas tea on Dec. 11 at the home of Mrs. Russell D. Johnson. In charge of the seasonal program will be Mrs. E. M. Arnovitz, Mrs. Lawrence McCauley, Mrs. H. P. Reuss, Mrs. Arthur Roman and the hostess.

Guests at last week's meeting were Mrs. Pat Merz of Troy and Mrs. Esther Baumberger.

GC wins 9-1 as ice hockey campaign opens

The Granite City team of the Madison-St. Clair County Junior Ice Hockey League (formerly MacClair High School League) opened its season Saturday night with a 9-1 victory over Collinsville on the ice here at Wilson Park.

Scoring for the local squad were Kenny Sabol, Rich Foy and John Pritchard, each with two goals, and Bryan Bunjan, Gary Mainer and John Kruckovich. Rick Thomas was the goalkeeper.

Also on Saturday, last year's league champion, Alton, blanked Wood River 2-0. On Friday night, O'Fallon defeated Belleville 7-3.

GC Steel Women hear travelogue

The Granite City Steel Women's Association met last week at the main office building. Decorations in keeping with an autumn theme were used on the tables, including pumpkins, corn and dried flowers. Favors of animal-shaped candles, sponges, pot holders, button boxes and bottle openers were given to each member.

The invocation was offered by Jo Ann Bauer, President. Geraldine Dublar conducted the business meeting.

Russell Solomon, vice president, Department of Metallurgy and Quality Control, Granite City Steel, was the guest speaker. His program consisted of slides from his trip

to the Orient the past summer. He and his wife visited Japan, Hong Kong, Thailand, Australia, New Zealand and Tahiti.

After the presentation, a birthday cake was presented to the guest speaker, who was feted with a birthday song. Prizes were awarded to Ruth Hancock, Opal McFarland, Betty Goldschmidt, Helen Winchoff, Jane Lybarger, Esther Foeshe and Dorothy Bon.

Committee members in charge of the evening were Louise Koesterer, chairman, Ruby O'Bannon, Pat Maul, Margie Burkhardt and Terry Sanders.

Hair Fashion Committee elects

Also attending the meeting were Judy Broshaw, Brenda Cant and Jack Tucker. It was announced that Mrs. Lemus presented a model, representing the local affiliate, in the Parade of Affiliates competition held at the hairdressers convention in Springfield.

Willene Gregory and Sheila Morgan have passed their Illinois Hair Fashion Committee tests. It was reported.

Others at the state meeting were Earl Tucker, Marcella Tucker, Dorothy Line, Joanne Prevett, Brenda Cant, Diane Frady, Carol Lew, Juanita Fuchs, Mildred Aldridge, Judy Broshaw, Barbara Painter, Margaret Scott, Betty Smith, Michael Nopke and Rosalie Jenkins.

Jolly 12 meet for luncheon. The Jolly 12 Pinocchio Club was entertained Thursday at the home of Mrs. Mabel Lehne, 2809 E. 27th St.

A luncheon was served at the noon hour, followed with a birthday dessert course honoring Mrs. Ardell Lange. Cards were played during the afternoon. Those excelling and winning prizes were Mrs. Lange, Mrs. Jean Barnes, Mrs. Paula Stephens, Mrs. Kathryn Smithson and Mrs. Verna Michel.

Names were selected at random for the club's Christmas party. Refreshments were served by the hostesses to those named and to Mrs. Penny Ousley and a guest, Mrs. Ella Wade.

Soccer Dutchmen capture regional, advance to national

For the second straight season, Coach Mike Moore's Belleville Area College Dutchmen soccer team will vie for a National Junior College Athletic Association championship.

Last season, as a first-year team, the Dutchmen posted a 9-6-2 record which included the Region Four championship, a National Central inter-regional title and seventh place, in the national tournament.

Now with an 8-5-3 mark, BAC defeated Chicago 2-0 to gain the Region Four honors, and posted back-to-back victories this weekend—1-0 over Macomb College and 2-1 over DuPage College.

As North Central inter-regional champion, BAC advances to the national tournament at Baltimore, Md., to be played Nov. 26-27 and 29.

On Friday, BAC bowed Macomb out on a penalty kick by Mike Westmoreland and the shutout goalkeeping of Larry Petri of Granite City.

Former GCIS North standout Dennis Jones, an assistant from former Steeler John Harding and Bill Schatweiler, scored both goals for the Dutchmen against DuPage Saturday.

Others who participated during the season were Brian Winfield, George Bartz, Doug Kraus, Mike Cella and Mike Davis.

Persons interested in officiating or scorekeeping during the Granite City Park District basketball season are being asked to attend a meeting at 7 p.m. Tuesday at the Nameoki Recreation Center, Ames and Franklin Avenues.

Minimum ages are 19 for officials and 16 for scorekeepers. Those interested may call the park office at 877-3059 between 9 a.m. and 5 p.m. prior to the meeting.

Room for teams

High school age boys interested in the Granite City Park District basketball program are being asked to contact the park office at 877-3059 for further information.

Mike Jesse, park recreation director, said the program has room for two additional high school age boys' teams.

Eight members are required to register a team, and the team entry fee is \$40. To participate, a boy must be eligible to attend one of the Granite City high schools but need not be attending.

Mitchell girl second in karate

Mitchell's Becky DeForest, 16, holder of a green belt in women's karate, took runner-up honors last week in competition at a National Karate Association tournament in South St. Louis.

A member of Pontoon Beach's White Crane Karate School team, Miss DeForest was among 200 participants who attempted to earn points for each blow or kick landing in a target area of the opponent's body.

She won her first two bouts, 3-0 and 1-0, but lost the championship to a St. Louis foe, 2-1, in sudden-death overtime.

Each bout is of two-minute duration. If a bout is deadlocked at the end of that time, an overtime round is held with the first athlete scoring a point declared the winner.

Bill Gramer of Fairview Heights, an instructor here, placed second in kata competition.

Kata is compared to "shadow" boxing. A competitor executes an imaginary fight, performing a series of blows and kicks, but not actually competing against another person.

Points in kata are awarded in accord with a performer's smoothness, quickness and overall execution.

Ice hockey group to hold annual dance Saturday

Completion of plans by the Granite City Amateur Ice Hockey Association of its fund-raising dance, to be held this Saturday, will be discussed during a meeting at 7:30 p.m. Thursday at the Nameoki Recreation Center, Ames and Franklin Avenues.

The event, to help defray the team's season expenses, will begin at Madison's Croatian Home Hall, 10th Street and Madison Avenue, at 7:30 p.m. Saturday with dinner and then dancing to the band music of Wayne Scannell.

Tickets, at \$14 per couple, may be purchased at the door the night of the event or from any local ice hockey player.

8-4 ice victory

The P and S Amusement ice hockey team, a member of the Granite City Amateur Ice Hockey Association, opened its 1975-76 season with an 8-4 victory Sunday over South Side of St. Louis at the Immerfors ice rink.

A Bantam division team of the local association, coached by Ed Kelley, the squad of boys aged 13-14 went undefeated last 18 outings.

Granite City's Matt Zimmerman headed the squad with a "hat trick" (three goals), Jim Gilliam had two goals and Ted McFarland, Ray Deien and Jeff Stoyanov one goal each.

A Bantam "B" team, Ed Moore, coached, played at the Wilson Park ice rink, losing 8-1 to Olivette, Mo. Tom Niescur tallied the local team's lone goal.

Other survivors include a brother, Earl Koesterer, Glendale, Calif.; five grandchildren and two great-grandchildren.

Funeral arrangements are given in the obituary column.

Woman reports being molested

An 18-year-old Pontoon Beach woman told Madison County sheriff's deputies at 4:40 p.m. Saturday that she had been raped by two men.

She said she was walking near Johnson and Nameoki Roads when two men in a car offered her a ride. She accepted, saying they wanted to go to Kirkpatrick Homes.

They drove to a tavern on Nameoki Road, purchased some beer and then turned north, driving to Chouteau Island and parking by the levee on the west side of the island, she said. Both men then raped her, once kicking her, she alleged.

Indicted in murder case

A Madison County grand jury Thursday returned a true bill charging Wayne D. Taylor, 28, of the 3100 block of Kirkpatrick Homes with the murder of Albert L. Wells Jr., 24, of 2801 Marshall Ave., Nov. 7.

Wells was stabbed several times in the chest area and his body was thrown from a van in the 4200 block of Division Street, just outside of Pontoon Beach.

A van matching the description of the one from which the body was thrown was stopped by Clinton County sheriff's deputies near Trenton almost two hours later. He was brought from the Clinton County Jail to the Madison County Jail at Edwardsville.

Where he was being held this weekend in lieu of \$100,000 bond.

News notes

The family life, education and planning clinic, 1238 Nineteenth St., formerly operated by the Madison County Economic Opportunity Commission, has been transferred to management of the Urban League.

Miss Alice Purdes, Venice teacher, was honored as one of six Illinois teacher finalists and Gary Froendner, McKinley Grade School principal, was honored as an Illinois administrator nominee at a "those who excel" Illinois Education Office banquet Friday night in Springfield. Other groups honored were board members, students and parents.

A bookcase will be dedicated in memory of Leonard Hopkins at 10:30 a.m. Wednesday in the Probate Court at Edwardsville. The late local attorney will be honored at a public gathering. Refreshments will be served from 10 a.m. to noon Wednesday by the Madison County Bar Association Auxiliary.

Man, 22, shot accidentally

Charles E. Nail, 22, of 2011 Missouri Ave., was admitted to the intensive care unit of St. Elizabeth Hospital after he was shot accidentally at his home at 1:35 a.m. Friday.

Nail said he was removing his rifle from a closet when it discharged, the bullet striking the right side of his chest.

He went to the home of Cora Nance, 2018 Illinois Ave., for help and she called an ambulance.

Nail said he found Nail's home and found a 22 caliber rifle in a bedroom closet with a clothes hanger snared on the trigger. Stripped and delirious, the hanger caused the trigger to pull backward when the gun was being removed from the closet, causing it to fire.

Assailant stabs father, daughter outside tavern

A father and his daughter were injured when assaulted by a man outside of a tavern in the 1000 block of West 20th Street at 1:58 a.m. Monday.

James Woodford, 50, and his daughter, Debra, 20, both of St. Louis, said when they walked out of the tavern, a man was waiting by the door and struck the father on the head with a sword.

The assailant then stabbed Debra about five times with an object, causing minor cuts. Both were taken by ambulance to St. Elizabeth Hospital.

Patrons who had been in the tavern said Debra and another woman had been involved in a disagreement earlier.

Woodford sustained stab wounds around the forehead, lacerations and abrasions to the face and a hematoma at the back of the skull. He was transported to Fernal Desloge Hospital, St. Louis.

Miss Woodford suffered five superficial lacerations to the abdomen. Sutures were taken and X-rays were made before she was released.

Youngster, 3, struck by car

Ricky Joe Collison Jr., 3, of 2143 Grand Ave., was struck by a car as he ran into the 2100 block of Grand Avenue from in front of a parked pickup truck at 3:20 p.m. Saturday.

Witnesses said the boy had been warned about running into the street and was being chased by a small girl when he ran into the road and was struck by the car of Alvin Papier, Caseyville. Papier's car skidded about 10 feet and went into a yard, trying unsuccessfully to miss the child.

Ricky was taken by ambulance to St. Elizabeth Hospital, where he had sutures taken to close a two-inch laceration on the forehead and had x-rays of the skull, spine and chest before being admitted.

THE SCHERMER BULLETIN
Is it possible? Here we are the week before Thanksgiving already! A helpful hint: Avoid the rush, and do the bulk of your shopping this week, as all our Holiday Fix'n's are on display now. Turkeys, cranberry sauce, stuffing, everything for the traditional feast.

Avery left last Wednesday for a week in Hot Springs. He needs the rest before the holiday rat race. He'll be visiting one of our favorite people, James Allen of Malvern, Ark., formerly of Granite City. Those of you who have met James remember him, no one forgets him. There is even some talk that he and his wife, Louise, may move back to town.

Also, we want to remind you that if you have any questions about preparing your holiday meal, don't ask us. If we cannot give you an answer straight away, we'll be sure and get it for you. Remember, avoid the crowd and shop early!

NAMEOKI PRESBYTERIAN CHURCH, 1700
Pontoon Road, where special services were held Sunday in observance of the 25th anniversary of the church. Past ministers and charter members of the church were honored at the 10:45 a.m. service,

followed by an anniversary tea for the entire congregation at 2 p.m. The first Sunday School classes were conducted in 1947 at the Nameoki Elementary School and the first worship services held on June 3, 1951, in the newly-constructed church. The Rev. Don P. Pierson is the present pastor.

Interim telephone rate boost denied

The Illinois Commerce Commission denied the request of Illinois Bell Telephone Company for an interim rate increase during a meeting Thursday afternoon in Chicago. The company voiced disappointment.

Illinois Bell was seeking \$65,000,000 additional annual operating revenue from its Illinois intrastate operations. The amount was approximately one-third of the total of its currently pending rate request. The company serves the Quad-Cities.

The commission has statutory authority to grant interim rate relief under certain circumstances. In order to grant such relief, the commission must determine that irreparable harm to the utility would result from denial of the request.

In its denial order, the Commerce Commission found that facts in the case do not justify Illinois Bell's contention that denial of the interim relief will cause irreparable harm. In response to the decision, Illinois Bell made the following statement:

"The Illinois Commerce Commission's denial of our request for an interim increase in rates is disappointing. 'On Dec. 21, 1975, in its last rate order, the commission found 8.5 per cent to be a fair and reasonable rate of return for Illinois Bell. 'Our going level rate of return is about 7.5 per cent, and the \$62.9 million interim figure we requested would have

brought us back to the authorized level. 'In view of this, the commission's action is difficult to understand. 'We fervently hope the commission will see fit to grant

us the full increase we need, once the current series of public hearings on our rate request has concluded.

"To do less would seriously damage our financial health and thus our ability to serve."

Completes part of officer course

Army Reserve Capt. James E. Fuller of Venice has completed part II of a staff officer course at the U.S. Army Command and General Staff College this fall at Fort Leavenworth, Kan. The course on command and general staff functions is divided into resident and nonresident studies.

A 1955 graduate of Lincoln High School, the captain attended Southern Illinois University at Edwardsville, and Washington University, St. Louis. He presently is employed as a safety director by ACF Ind., Inc., St. Louis. He and his wife, Norma, live at 114 Circle Drive.

TROOPER PROMOTED. Raymond C. Niepert of Raymond, Ill., formerly of Granite City, receives his collar chevrons as a sergeant of Illinois State Police in a ceremony at Springfield. Niepert serves as aide to Police Superintendent Dwight E. Pitman who makes the

presentation. With the new sergeant is his wife Laverne. Niepert served out of the State Police District 11 headquarters at Maryville prior to being reassigned to the Springfield district three years ago.

Dies here after crash

Gregory Holubasch, 21, Collinsville, died at 5:25 a.m. Sunday at St. Elizabeth Hospital following an auto accident in Collinsville.

Officers there said the car of Phillip Roth, 18, St. Louis, went out of control at Woodcrest and Keebler Road and struck a tree, bursting into flames.

Officers were unable to determine who had been driving the car, they said. Roth and Mr. Holubasch were brought in a Collinsville Fire Department ambulance to the hospital here

at 4 a.m. Sunday. Roth, who suffered a cut to his right eyebrow, contusions and abrasions to both legs and abrasions to his right shoulder, was transferred to Faith Hospital, St. Louis.

Funeral services for Mr. Holubasch will be at 10 a.m. Tuesday at Our Mother of Perpetual Help Catholic Church, Maryville, from a Collinsville funeral home. Burial will be in Calvary Cemetery, Edwardsville Township.

State Trooper Niepert promoted to sergeant

Illinois State Police Corporal Raymond C. Niepert of Granite City, was promoted to

the rank of sergeant in ceremonies held in Springfield. Niepert, a 1953 graduate of Mulberry Grove High School, joined the Illinois State Police in 1957 and entered the U. S. Army in 1958 where he served for two years.

He returned to State Police duty and was promoted to Corporal in 1971. He graduated from Southern Illinois University at Edwardsville in 1969 and attended Northwestern University Traffic Institute at Evanston, graduating in 1974.

He currently serves as Superintendent Dwight E. Pitman's aide. Niepert and his wife, Laverne, reside in Raymond with their children, Robin, 11, and Russell, 4.

The trooper was a lifelong resident of the Quad-City area until he moved to Troy three years ago and later to Raymond where he has made his home for the past two years.

He is the son of Wilbert Niepert Sr., Highway 162, and a brother of Wilbert Niepert, 2429 Woodlawn Ave., and Richard Niepert of Mulberry Grove.

He was assigned to the District 11 headquarters at Maryville until he was transferred to the Springfield district.

Suffocates at meal

Mrs. Hermine "Minnie" Slakoff (Skender), 57, of 1508A Third St., Madison, suffocated when a bite of steak lodged in her trachea at home and she was pronounced dead upon arrival at St. Elizabeth Hospital at 4 p.m. Saturday.

An autopsy was conducted Sunday which indicated the cause of death was suffocation

from the blockage in her trachea.

Mrs. Slakoff was born in Madison and was a lifelong resident. She was employed the last 17 years at the Madison County Courthouse in Edwardsville at the office of Madison County Treasurer George Musso, where she was a clerk-typist in charge of tax protest accounts.

Surviving are a daughter, Mrs. Robert (Mary Ann) Gilleland of Grafton, a sister, Mrs. Ronald (Mary) Mayster of Wheat Ridge, Colo., and one grandchild.

Funeral arrangements may be found in today's obituary column.

Venice youth club formed

Organization of a Youth Community Club for youths of 13 and older was approved by the Venice Park Board Friday during a regular meeting.

Larry Boyd, a park recreation planner, and Jo Ann Wilson, a counselor at Lincoln Technical Center, will direct the club along with Venice Recreation Director Willie Teal.

Boyd said the club will be operated by the youths, under supervision, and will participate in sports activities, games, film viewing, and a drug awareness program.

Youths flee from house

Police were told at 8:20 p.m. Sunday that two youths with long dark hair were seen breaking into the home of Maurice Knollman, 2853 Center St.

Officers arrived at the home to find that glass in the rear door had been broken, the door had been unlocked and two rooms ransacked. It could not be determined if anything was stolen.

A neighbor said the two youths ran across the street and into another home. Police obtained the owner's permission to search that house, but no one other than the owner, was found inside.

Charged after auto accident

Glenda Coleman, 30, of 2617 Cayuga St., was charged with reckless driving and illegal transportation of liquor after her car and the auto of John Cox, Rural Route 2, near 44, Granite City, collided at Nameoki Road and Leonard Avenue at 12:50 a.m. Saturday.

Police said the Cox auto was making a left turn from Nameoki Road when the Coleman auto skidded about 40 feet into the rear of Cox's car. Officers alleged there was an open bottle of wine in Glenda Coleman's possession.

She was taken by ambulance to St. Elizabeth Hospital where she was treated for a cut to her face and was released.

Labor-management peace pledge on construction of new area airport

A 10-point plan to assure labor-management peace throughout the construction of a new major airport for the St. Louis region at Columbia-Waterloo was announced Thursday evening by the Southern Illinois Building and Construction Trades Council and the Southern Illinois Builders Association.

The two organizations represent all the construction trades that would be employed on the airport project, and general and sub-contractors, they said. Both organizations have Missouri members.

"The plan was worked out in response to indications from federal officials that 'responsible controls over costs will play a significant part in the decision on building the new airport,'" a spokesman said.

Embraced in the agreement are a variety of safeguards against stoppages and slowdowns over jurisdictional and other matters.

In announcing the plan, William P. Horstman, secretary-treasurer of the Trades Council, and Howard H. Hall, president of the Builders Association, said:

"Our action takes on special importance to the area in light of the recent endorsement of the Columbia-Waterloo site—and the future need for a new airport there—in a unanimous report by a special committee of respected Missouri and Illinois citizens appointed by the St. Louis Regional Commerce and Growth Association.

"The record shows that professional

engineering firms and others who are free to take a regional viewpoint have invariably said Columbia-Waterloo is the best site and that there is no suitable location in Missouri.

"Further, the Growth Association's committee has put in perspective the various predictions as to need, and has pointed out at some time in the future it will be necessary to replace Lambert Field as the area's major airport with a new airport at Columbia-Waterloo.

"We make our 10-point pledge in behalf of the future of the entire area.

"In the construction of the airport, both Missouri and Illinois construction workers will be employed. The contracts will be awarded to firms on the basis of competitive bidding open to contractors regardless of location.

"The alternative to a new airport at Columbia-Waterloo is no new airport and, therefore, no new airport construction jobs for either Missouri or Illinois workers.

"It should be emphasized that a timely start on the new airport will in no way interfere with projects at Lambert Field that are essential for its maximum useful life.

"But, even more fundamental, the alternative to a new airport at Columbia-Waterloo is a declining economic future for the entire St. Louis area, with fewer jobs and business opportunities of all kinds—not only for the present generation but for our young people on both sides of the river and for the generations to come."

Text of the agreement signed by Horstman on behalf of the unions and Hall on behalf of the contractors, follows:

Whereas, the Southwestern Illinois Building and Construction Trades Council and the Southern Illinois Builders Association, hereinafter referred to as the parties, recognize the desire of the U. S. Department of Transportation that the building and construction industry pledge itself to the covenant that there will not be any work stoppages during the construction of the Columbia-Waterloo airport project; and

Whereas, the parties desire to

mutually stabilize employment, hours and working conditions and promote efficiency and economy during the construction of the aforementioned facility; and

Whereas, the parties agree that in the interest of the general public it is essential that the proposed Columbia-Waterloo airport project be undertaken and completed in such a manner to prevent unnecessary and avoidable delays and expenses; and

Whereas, the parties acknowledge the importance of these aims, it is hereby pledged—to the highest degree of harmony and good faith—the assurance that no work stoppages or slowdowns due to jurisdictional disputes or other differences will occur on the Columbia-Waterloo airport project for so long a period as the parties and their affiliates have collective bargaining agreements in effect and full force.

Therefore, be it resolved that in consideration of the aforementioned mutual promises and covenants, the Southwestern Illinois Building and Construction Trades Council and their affiliates having territorial and trade jurisdiction in the area encompassing this project and the Southern Illinois Builders Association and its signatory counterpart organizations in the construction industry, having collective bargaining agreements with the aforesaid unions, specifically propose to accomplish these ends by adopting the following procedures as a statement of policy for the Columbia-Waterloo airport project.

1. Jurisdictional disputes shall be resolved between the undersigned contractors and unions and their international affiliates.

2. So-called area practices, not a part of collective bargaining agreements, shall not be recognized nor shall they be enforced.

3. Slowdowns, forcing of overtime, spread work tactics, standby crews and feather-bedding practices have been

and are condemned.

4. Stewards shall be qualified workmen performing work on their craft. There shall be no non-working stewards.

5. There shall be no strikes, work stoppages, slowdowns or lockouts during the tenure of any collective bargaining agreements. All disputes and grievances will be resolved through the means provided in

the collective bargaining agreements.

6. If there is no method set forth for such resolution in the collective bargaining agreements, the parties shall meet and adopt a peaceful means of settling such disputes.

7. The selection of craft foremen or craft general foremen, over workmen of their respective crafts, shall be

entirely the responsibility of the employer.

8. The welding torch is a tool of the trade having jurisdiction over the work being welded. Craftsmen using the welding torch shall perform any of the work of the trade, and shall work under the supervision of the craft foreman.

9. Workmen shall be at their regular place of work at the starting time and shall remain at their place of work until the regular quitting time.

10. There shall be no limit on production of workmen nor restriction of the full use of proper tools or equipment and there shall not be any task or piece work.

11. Payment of daily travel allowances or subsistence shall be discouraged.

On-site hearings Friday

The Madison County Zoning Board of Appeals will conduct three on-site public hearings Friday in Quad-City area townships on requests for special use permits for the placement of mobile homes.

The plan will meet at 8:30 a.m. Friday at the Madison County Courthouse at Edwardsville and will leave for the first hearing at 215 Carver Street in the viaduct addition south of Madison, which will begin at 9:15 a.m.

Jonah Young is requesting a special use permit to continue the placement of a mobile home at that address since the time limit of the former permit has expired. He is requesting a permit for at least five years until he can construct a permanent home on the property. It is located in an R-4 single family residential district of Nameoki Township.

At 9:30 a.m., the board will move to 2120 Hildebrand Ave., in the Cloverleaf subdivision, where R. B. Moran, owner, and Roger Forshee, purchaser, are requesting a permit to place a 14 by 64 foot mobile home there. It is in an R-4 single family residential district of Nameoki Township.

The third hearing will begin at 10:10 a.m. Friday at 333 Margaret St., Mitchell, where

First Granite City Savings & Loan owner, and Richard Jones and Bill Goad are requesting a permit to place an eight by 28 foot camper for the duration of the lifetime of Mr. Goad.

The request also seeks a permit to keep two ponies on the property for personal use. It is in an R-4 residence of Chouteau Township.

Aboard carrier

Navy Aviation Support Equipment Technician Third Class David L. Bartley Jr., son of Mr. and Mrs. David L. Bartley Sr., 23 Lily Court, has embarked on a deployment to the North Atlantic and Mediterranean aboard the aircraft carrier USS Independence, homeported at Norfolk, Va.

During the cruise he and his shipmates will participate in a variety of training exercises with the U.S. Sixth Fleet and NATO forces, and are scheduled to visit several European countries.

A 1973 graduate of Granite City High School, he joined the Navy in July 1974.

Justification for overriding the SIUE autonomy bill veto

Override momentum is difficult to achieve, but there is hope that State Rep. Joe Lucio will be successful in achieving sufficient support this week to overturn a veto of the creation of a board of trustees for Southern Illinois University at Edwardsville.

Led by Sen. Sam Vadalabene earlier, the Illinois Senate voted to override the veto and establish the new board.

A lot of negative comments are being voiced about political activity to achieve autonomy for SIUE, but it would appear that considerable politics also have been involved on the other side. The Illinois Board of Higher Education, for example, said nothing negative during hearings on the autonomy bill, conducting its

opposition through behind-the-scenes actions after the legislation had passed.

The anti-SIUE effort by the IBHE still is utilizing as its principal argument that the proposal could unleash extensive future fragmentation of the university system. The anti-SIUE point in favor of the autonomy bill is that the local situation truly is unique and need not set a precedent.

The needs of this region are too numerous and important for Illinoisans to needlessly handicap the local university in its efforts to solve them.

As was originally planned when it was formed, SIUE should be allowed to stand on its own now that it has successfully passed through its infancy and reached maturity.

New Athens, Wood River proposals for energy expansion

Hopes are high that the Energy Research and Development Administration will select a site at New Athens for a plant to turn coal into clean-burning gas and oil.

Forty-two per cent of the \$237 million cost of the experimental plant is to be borne by private firms and by the state selected by the federal government. Illinois, competing with five other states, has funds appropriated for such a purpose and has set up the mechanism by which it could participate.

Also in the energy expansion field, companies including Illinois Power Co. and General Electric Co. are seeking federal approval for an electric generating plant at Wood River, and the Illinois Energy Resources Commission voted this month to provide \$10 million for the pilot

project. Total cost is estimated at \$100 million.

The plant would be designed to use high-sulfur Illinois coal and to eliminate the pollution usually associated with it.

A new type of boiler would mix coal and limestone to remove the sulfur dioxide. Hot gases produced under pressure in the boiler would operate a gas turbine generating electric power, and water in the boiler coils would produce steam to simultaneously operate conventional steam turbine generators.

These projects give hope of breakthroughs in which this region's abundant coal supply can be utilized to help achieve energy independence for America, and in a fashion fully acceptable from the standpoint of environmental considerations.

Successful United Way campaign despite impact of layoffs

How sweet it is! Victory was achieved yesterday by the come-from-behind football Cardinals, who vaulted into first place in the Eastern Division of the National Football Conference. And victory was attained last week by the Tri-Cities Area United Way, whose contributors occupy first place in the hearts of the local community.

Just as the football fortunes had appeared dim, there were many uncertainties regarding the fall 1975 campaign to finance part of the 1976.

operating costs of member United Way agencies.

Layoffs had reduced the number of potential contributors, and a host of other problems developed. But the United Way went out and got the job done against all adversity, pushing past the goal and chalking up on the drive scoreboard more than \$440,000 in receipts and pledges.

The third-in-a-row successful United Way campaign will be recalled for many years as one of the most heartening and satisfying occurrences of 1975.

The FORUM

Calls county dog fee unreasonable

To the Editor:

In response to a Nov. 10 letter in the Forum of your newspaper concerning the county dog registration fee, I am in the same position that she is.

Because I feel that the registration fee is unreasonable and undue punishment for protecting the animal as well as the general public, I must appear in court or pay the fee plus other charges.

Governor Walker signed into law the Animal Control Act in September 1973. However, I am told, Madison County did not take any action toward collection of the fees until this year. Why?

Why is Madison County so different than any of the other counties in this state?

If the Madison County Animal

Control Office and the Board would put forth more efforts to the control of stray animals and the owners of dogs and other animals who do not protect the person who obeys the laws of the state—and attempts to protect the animal and the public—would not have to pay to support the board or this office.

I am sure that every dog or other animal on the streets has not had proper protection, nor has the owner paid the registration fee which the board is so set on collecting.

The animal may display a current rabies tag, but has the owner paid the registration fee?

The actions of Madison County concerning the payment of the registration fee were not posted for all to see at my

veterinarian, nor was I informed of the fee until after the rabies shot was given to my dog.

If I had been informed in advance I would have taken the dog to another state.

For one, will not use another veterinarian in Illinois again for reasons of the rabies shot.

Why should I or any other person pay the board fees not earned and that are unreasonably assessed against these persons who attempt to protect their animal as well as the general public?

I strongly feel that the actions of the board and the Animal Control Office of Madison County are in poor judgment and very bad taste.

Arrived as stranger, left as friend

To the Editor:

I came to tell you how strangers are received in your town.

On the morning of Oct. 15, I found myself in an ambulance, going to St. Elizabeth Hospital.

When we arrived at the emergency door, a nurse called my name, and said Emergency was ready.

It was then I realized what the radio message from the ambulance was all about.

From that moment, until I was discharged, I got nothing but kind, gentle, professional care.

In the morning, I was bathed, my bed linen was changed, and my room was thoroughly cleaned. My meals were always very appetizing and a request

for a second cup of coffee was never refused.

I pushed the call button so often I was discouraged, but I always got a nice reply, and at moments, a nurse would be at my bedside.

At night I could almost see my watch, by the nurse who was flashlight checking my room. Some times she checked my pulse, or maybe she was just patting the back of my hand.

I would like to tell you of the many, many acts of kindness, but they are too numerous to list.

Everyone on the sixth floor gave kind, gentle and professional care.

There must be a well-planned organization to make things like this work.

Granite City's St. Elizabeth's

Hospital is certainly a credit to your town. I came to your town as a stranger, but I left feeling like I was leaving friends.

Black American cultural course

Students pursuing a black American minor at Southern Illinois University at Edwardsville are being advised that the department of anthropology is offering The Culture of Black Americans (ANTH 311-4) during the winter quarter.

Jean Kittrell, chairman of the Black American Studies committee, said the classes will meet on Monday, Tuesday, Wednesday and Thursday from 9:30 until 10:20 a.m.

The course will trace the development of black culture and its characterization in the past to contemporary life today.

Miss Kittrell said, Black institutions, social organization and political movements in the context of American society will be examined.

Additional information concerning the course and the black American minor may be obtained by contacting Miss Kittrell in the department of English language and literature at SIUE.

Airport unity appeal

Recommendations for resolving the airport issue in metropolitan St. Louis have been endorsed by Impact, which issued an appeal Friday for opposing factions in the controversy to unite behind proposals made by the Airport Issue Committee of the St. Louis Regional Commerce and Growth Association.

Impact (Illinois-Missouri Progressive Airport Creation Task Force) is a bi-state organization of business, labor, government and civic leaders formed early last year to study the airport issue and "support findings which would help heal the rift between Missouri and Illinois residents."

In a statement announcing the endorsement and the appeal for unity, H. J. Haberaecker,

executive director of Impact, said:

"The position adopted last year by Impact and the findings and recommendations announced Nov. 10 by the Airport Issue Committee are essentially the same."

"We fully agree that Lambert must be improved and utilized to its fullest extent, and that the Columbia-Waterloo site is the only logical and feasible location for building a major new airport."

"The questions of precise timing for a new airport, and of the management structure for such an airport, will not present major obstacles if we can just agree on those basic points."

"We in the metropolitan area must put parochial squabbles behind us and agree that our future lies in taking a regional approach to both regional problems and opportunities."

"One important element of such an approach is to agree that a balanced transportation system always will feature a key role for Lambert, and that at some point in the years ahead it will include a major new airport at Columbia-Waterloo."

"If all parties to the airport dispute will join hands in this compromise solution, immediate progress can be made on two fronts," Haberaecker said.

"We can proceed without fear or hesitation in programs designed to upgrade Lambert and make the most of its potential. We also can proceed without further delay in securing our best remaining site for an airport of the future."

"To continue a needless fight would be an exercise in futility, producing nothing but damaging results for the region. To unite now in a position of regional leadership would pave the way for the future, producing economic growth which will benefit all of us in countless ways."

U. S. challenges freeze by state on hospital payments

The Illinois Hospital Association told the Press-Record Friday it has learned that the United States Department of Health, Education and Welfare has numerous reservations on "Governor Daniel Walker's plan to freeze Medicaid payments to hospitals at rates below actual costs."

Robert W. O'Leary, president of IHA, said the HEW action came in the form of a letter to James L. Trainor, director of the Illinois Department of Public Aid.

He said the HEW letter characterized parts of the plan as "arbitrary," "confusing" and "inconsistent."

The Walker plan deals with rates paid to hospitals for welfare patients. It would freeze such payments at rates in effect as of Oct. 6, 1975, regardless of actual costs to hospitals and without regard to cost increases due to inflationary pressures, O'Leary alleged.

The plan also establishes a three-man board to review relationships between the State Department of Public Aid and the more than 250 hospitals in Illinois having Medicaid contracts.

The IHA has challenged the Walker approach in federal court.

It charges that the program would create a \$25 million loss to hospitals in the state; force closing of a number of clinics and thereby reduce services; and increase costs to hospital patients who are not covered by Medicaid programs.

The court issue is still pending. However, O'Leary said, the HEW letter may accomplish the basic purpose of the IHA court action by forcing the Walker administration to withhold enforcement of its order until the questions raised by HEW are answered.

"The IHA is grateful for the interest shown by officials of HEW," O'Leary added.

"We regard this letter as a major breakthrough in our fight to prevent the governor from placing in jeopardy the quality of health care throughout Illinois by implementation of this ill-conceived and unwise program."

Before making a final ruling, the federal government has called for the state to answer a series of seven requests for more information. It warns that a "freeze" could lead to a determination of non-compliance with federal law.

The seven areas in question outlined in the letter are summarized by the IHA as follows:

1. How can the state possibly handle the complicated matter of rate review for over 250 hospitals with only a three-member board?

2. What provision has the state made to provide for a "fair appeal" for hospitals not satisfied with the state board rulings? HEW deems that the present method outlined in the state proposal is "arbitrary" and "narrow in scope."

3. Does the new Illinois plan depart from the federal regulations governing hospital reimbursement which require that hospitals "be reimbursed the actual costs of providing quality care, however widely the actual costs may vary from provider to provider and from time to time for the same provider."

4. Does the state propose to release copies to hospitals of the standards and criteria being used by the board in reviewing costs for necessity and reasonableness? There is no mention of this communication in the plan.

5. Will the new plan give hospitals the incentive to continue participating in the Medicaid program? Under federal regulation, a state's plan must provide fee structures which are designed to enlist hospital participation and insure that Medicaid recipients have available the same services as the general population.

6. How will the state provide for incentives to hospitals to ensure efficiency and economy in the plan?

7. How can the state place ceilings on hospital costs when federal regulations stipulate that all hospitals are entitled to be paid actual costs?

Navy airman is aboard carrier

Navy Airman Thomas R. Smith, brother of Leroy Smith, 2820 Birch Ave., has embarked on a deployment to the North Atlantic and Mediterranean aboard the aircraft carrier USS Independence, homeported at Norfolk, Va.

During the cruise he and his shipmates will participate in a variety of training exercises with the U.S. Sixth Fleet and NATO forces, and are scheduled to visit several European countries. A 1972 graduate of Granite City High School, he joined the Navy in July 1972.

Annual Venice benefit for crippled children Jan. 31

The 38th annual benefit ball sponsored by the Venice Crippled Children Organization will be held this year on Jan. 31, it was announced at a meeting of the organization at Venice City Hall.

Plans for the benefit were discussed following an election

of officers in which William "Mike" Ebersold, mayor of Venice, was elected president; Milton Morris, vice-president; Donald Phillips, treasurer, and Darlene Hoffman, secretary. Committees were appointed to begin planning for the benefit dance.

'The Critic' at Kiwanis

"The Critic," a satire by Mel Brooks, and an art film which consisted of a series of dots, lines and diagrams which stimulate thinking on the part of the audience, were shown Thursday morning to the Breakfast Kiwanis meeting at Charlie's Restaurant.

Robert "Butler," theater director for St. Louis University, was the guest speaker. He was introduced by Kiwanian Dr. Thomas Layloff. Butler explained that many times a person views an art or theater production and does not understand what he is seeing. He told the Kiwanians a person needs to ask himself a few simple questions: What did it say to me? What did it mean to me? What type of mood did it put me in and how did it leave me?

"Some of the Shakespearean productions are the most misunderstood especially Ophelia and Hamlet," Butler said.

"The main essence of a drama is conflict and what the audience needs to do is understand the conflict to get the most out of the production. Most people deal with internal and external conflict and if we do not understand, we are quick to criticize," he said.

"We should try to analyze the production for the artistic value. A lot of hard work and discipline goes into creating each production."

Dr. Layloff, also on the faculty of St. Louis University, told Butler, "We are taking our wives tomorrow night and having dinner on the Goldenrod Showboat. After your explanation of theater, coupled with a social hour before the show on the boat, we will be well prepared as critics and should be able to give a real good critique after the show."

EXPERT APPRAISING
MORRIS REALTY CO.

Ebersold announced that a donation to Shriners Hospital for Crippled Children and Shriners Burn Unit will be made at the Fall Shrine Cerebral, Dec. 6, at the Almad Temple, East St. Louis.

Venice Crippled Children Organization will donate two \$375 checks to purchase two \$500 U.S. bonds.

The organization will meet again Wednesday, Dec. 3, at Venice City Hall. Those attending in addition to the officers were Margaret Painter, Sybil Robbs, Patricia Daniels, Marie Ziegler, John Mangiaracino, Delores Scaturro, Nina Payne, John T. Dickey, Mary D. Scaturro, Claude Billbreay, Charles W. Burger Jr., Fred Durer Jr., Father John O'Connell, Rosemarie Cooper, Tom Vogeley, Jack Lee, Tom Fields, Valeta Bauder and John Boushard.
